FAA Form 8000-4 (1-67) SUPERSEDES FAA FORM 360 (Electronic Forms PDF)

European Aviation Safety Agency

U.S. APPROVAL CERTIFICATE

EASA.145.6376

Taking into account the provisions of Article 12 of Regulation (EC) 216/2008 of the
European Parliament and of the Council and the bilateral agreement currently in force
between the European Community and the Government of the United States of America,
the European Aviation Safety Agency (EASA) hereby certifies:

Jetcraft Aerostructures, Inc.
FAA NUMBER: 5JCR859B
3150 Airmans Drive
Fort Pierce, Florida 34946
United States of America

as a Part-145 maintenance organization approved to maintain the products listed in the
FAA Air Agency Certificate and associated Operations Specifications and issue related
certificates of release to service using the above reference, subject to the following
conditions:

1. The scope of the approval is limited to that specified on the 14 CFR part 145 repair
station Air Agency Certificate, and the associated Operations Specifications for work
carried out in the United States (unless otherwise agreed in a particular case by
EASA).
2. The approval scope shall not exceed the permitted EASA Part-145 ratings as detailed
in Regulation EC (No) 2042/2003.
3. This approval requires continued compliance with 14 CFR part 145 and the
differences as specified in the Maintenance Annex Guidance (MAG), including the
use of the FAA Form 8130-3 for release/return to service of components up to and
including power plants.
4. Certificates of return to service must quote the EASA Part-145 approval reference
number quoted above and the 14 CFR part 145 Air Agency Certificate number.
5. Subject to compliance with the foregoing conditions, this approval shall remain valid
until:

01 March 2016

unless the approval is surrendered, superseded, suspended or revoked.

Date of issue: 23 October 2014

Subject: Change to EASA Part-145 approval EASA.145.6376
Reference: LSA/Rev 3/EASA.145.6376/FAA.5JCR859B
Attachment: EASA Part-145 approval certificate

Dear Sir or Madam,

Following a positive recommendation from the FAA the European Aviation Safety Agency hereby
accepts the changes to your EASA Part-145 approval.
In addition, subject to continued compliance with the FAR 145 and the EASA special conditions as
detailed in the Agreement between the United States of America and the European Community on
Cooperation in the Regulation of Civil Aviation Safety and associated Maintenance Annex Guidance
(MAG), the renewal date is confirmed as 01 March 2016.

Jetcraft Aerostructures, Inc.

EASA Part-145 Approval certificate reference number:
